

WELCOME!

We value you.

The purpose of the Pacer Pantry is to **provide supplemental food and other necessities to students and Marywood employees who need this kind of assistance.** We operate our pantry on the values of faith, trust, and respect. Each individual is welcomed with dignity and confidentiality. Please share this nurturing spirit with all you encounter here.

INFORMATION & GUIDELINES:

- » The Pacer Pantry is generally open during the academic year on **Monday, Tuesday, and Thursday, 7 a.m. to 9 p.m., and on Friday, 7 a.m. to 4 p.m.** Please see the current schedule located on our bulletin board, online, or call us to verify our hours of operation.
- » To be eligible for our services, you must be **enrolled for courses or currently employed at Marywood University.** Please make sure you always have your Marywood ID each time you visit the pantry.
- » Every time you visit the Pacer Pantry, you will be asked to complete a form indicating the items you chose. This enables us to restock and track the types of items that are needed. If there is an item you would like to see in the pantry, please indicate this on the form.
- » Please only take items you will actually use, so that we have plenty for everyone.
- » We receive most of our food from donations and from the Regional Food Bank through a partnership with Friends of the Poor, a sponsored ministry of The Congregation of the Sisters, Servants of the Immaculate Heart of Mary. Products offered are dependent on their availability. We try to provide as much variety as possible.
- » **Read all labels to be sure you avoid any allergies or dietary restrictions—it is your responsibility to read all packaging. If we receive items that meet special dietary needs, we will group them together. Let us know if this is an issue for you.**
- » Please remove all open packages or empty boxes. Don't leave trash around.
- » Help keep the shelves orderly and organized.

If you have a comment, request, or are interested in volunteering, please email us at PacerPantry@marywood.edu.
