

PART-TIME POSITION

Our Mission:

The school seeks to provide a holistic, financially accessible and integrated education to students of all faiths who are in grades five through eight and whose potential is under-served because of academic, social and financial challenges. Through the shared commitment of community and educational leaders, the school offers an academically rigorous, extended-day, year-round program which empowers students to greater achievement in high school, college and future employment.

The NativityMiguel School has an immediate job opening for a motivated and creative individual to lead our After-School Program. Our program runs 4 days per week from 2:00 pm - 4:45 pm. This person will organize the scheduling of volunteers, assist with various programming opportunities and perform miscellaneous duties as needed. The ideal candidate will have educational/programming experience and enjoy working with middle school students. Salary will be between \$12-15 per hour depending upon experience.
