DINING PLANS

When signing up, select a meal plan based on your academic schedule, eating patterns and social life. Keep in mind that there can be up to four meal time periods per day: breakfast, lunch, dinner and late night.

- **The Traditional Meals Per Week** plans allow you to enjoy up to a specified number of guaranteed meals each week during the semester you select it. Meals do not carry over from week to week; they 'reset' at the end of each week. *Traditional plans do not allow the holder to swipe more than one meal per meal time period.*

- **The Block Meal** plans offer flexibility as the number of meals that you sign up for can be used throughout the semester in any manner - and carry over from week to week.

All of our meal plans can be used at our all-you-care-to-eat dining facility in the Nazareth building as well as all of our retail dining facilities through the meal exchange.

- **Plan Points:** Plan Points are accepted like cash in all our dining locations. Plan Points work on the same principle as a debit card. You can use your Plan Points to purchase beverages, snacks or even a full meal at any of our dining facilities. Each time you make a purchase, the purchase amount is subtracted from your Plan Points balance. Plan Points do not carry over from semester to semester. However, Pacer Points may be purchased and added to your account at any time and they carry over until they have been exhausted. Please note that the Pacer Points would be in addition to any Plan Points that accompany the meal plan.

**PLEASE READ INFORMATION BELOW CAREFULLY TO DETERMINE WHICH PLANS ARE AVAILABLE FOR YOU**
