Rules and regulations provide the basis for a reasonably ordered campus life. The mere observance of rules, without the personal appropriation of the values they protect falls short of what Marywood University hopes for the campus community. Please discuss this between parent and child then complete and return this form by the first day of your program.

I, ____________________________, allow my daughter/son/ward, ____________________________ (“child”) to attend the design your future program (from July 14 - July 25, 2014). I understand that unauthorized departures from the Marywood University campus, as well as violations of the attached Program and Dorm Rules, may result in termination of her/his attendance in the program. I understand that students who are asked to leave the Program will forfeit their entire payment and must leave the Program within 24 hours. I understand that I am responsible for making arrangements and for any cost in returning my student home.

My child may participate in organized field trips to monuments, museums, restaurants, shows, sporting events, movies, and the like which might require taking a bus or riding local public transportation. I understand that teaching/residential assistants will take students on these trips and that students will be permitted to split off into student groups as long as they remain on the premises visited. Students are prohibited from leaving the group and/or the premises visited. I am aware of the risks inherent in this type of activity, on and off campus, from persons known and unknown and from transportation, residential, and educational settings and I assume those risks. I consent to the use of photographs taken of my child for future university brochures. My child may receive emergency medical treatment, if necessary in the determination of Marywood University, while attending the program. I understand that Marywood University assumes no liability for injury or damages arising from the result of participation unless due to willful fault or gross negligence on the part of the University and I agree to indemnify and defend Marywood University for damages resulting from my child’s actions.

I hereby approve my child’s participation in this residential educational program. To the best of my knowledge, there are no behavioral or other conditions that will interfere with my child’s appropriate participation. If my child needs accommodations for disabilities, I shall make these requests prior to arrival to the Program so that preparations can be made. This is signed knowingly, honestly and voluntarily.
