11/11 Veterans Day Luminaires, beginning at 5 p.m.

For this year's Veterans Day event, Marywood University is doing something a little different -- lighting luminaires around campus at sundown on Veterans Day to honor students, families, and all those that have served. In keeping with the "Ignite the Light" theme of President Lisa Lori's Inauguration year, the luminaires, as well as red, white, and blue exterior illumination of several buildings on campus, will serve as a bright beacon to say thank you to those who have served and are actively serving.

Veterans Day Luminaires will be lit at 5 p.m. on November 11, behind the Learning Commons in the Calabro-Delfino Amphitheatre. Veteran students also will receive a token of Marywood's appreciation—a free beverage at Starbucks.
