UNIVERSITY

Enrichment Course Acknowledgement

I acknowledge that I am enrolling in coursework at Marywood University solely for enrichment purposes. I understand that I am not a matriculating student at the University and as such, the following applies:

- A student is in good standing when his/her cumulative quality point average(QPA) is at least 2.00. Some program course(s) require a higher QPA.
- Student's transcripts will be reviewed to determine the eligibility of the student to take the desired course(s)
- Completion of this course(s) does not guarantee acceptance to a program at Marywood University (nor does it guarantee the course(s) will be applied to a program should the student become accepted at a later date)
- Any coursework completed at the University will be reviewed as part of the Admission's process if an application is made to the University
- There is a limit to maximum number of credits that can be taken under enrichment status (typically no more than 12 credits at the undergraduate level and 6-9 at the graduate level depending on the department)
- Students are NOT eligible to receive any financial aid under enrichment status
